

## COVID-19 INFECTION CONTROL PLAN School at Camp

**The following plan is in place to reduce the chances of people getting sick from COVID-19 and to limit the spread of COVID-19.**

### **All: Parents, Campers, Staff, Volunteers**

- Travelers from outside the US: As designated by CDC policies, no one will be allowed on the property for 14 days from the date that they returned from travelling out of the country. The same requirement applies to people who live with a person who has travelled out of the country in the past 14 days. Everyone will be screened for travel.  
<https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>
- Any person who in the past 14 days has been exposed to someone who has tested positive for COVID-19, that person should follow CDC guidelines for self-quarantine and cannot come to Camp until 14 days after the exposure and only if free of symptoms.
- Others who were in contact with the person that was exposed to COVID-19 shall be contacted and must not return to the program for 72 hours and only if symptom free. Six feet is described as six feet for more than a few seconds of “walking past.”
- No one with signs or symptoms should come to Camp. Posters will be displayed with signs and symptoms.
- Anyone who comes to Camp and starts to experience symptoms of the coronavirus will immediately be separated from others and sent home with instructions and guidance on how to follow-up with their health care professional.
  - Contact Eugene Barnes, Director of Hospitality Services, immediately (360) 618-2694.
- Each parent/guardian and/or adult is responsible for determining whether the risk of exposure is acceptable based on the camper’s health and vulnerability. Warm Beach Camp staff will do their best to minimize the risk of spread, however we cannot guarantee a virus-free environment.
- Each camper agrees to follow current Federal, State and Local COVID-19 mandates and guidelines. <https://www.cdc.gov/> <https://coronavirus.wa.gov/> <http://www.snohd.org/492/COVID-19-Info-for-BusinessesEmployers>
- Masks will be worn when indoors and outdoors when social distancing of 6 feet is not possible.

### **Check-in and Check-out Procedures**

- Check-in and check-out will be in the Program Center courtyard.
- Upon arrival, campers will complete the daily health screening.
  - Staff will ask each camper individually if he/she has any COVID-19 symptoms, about recent travel, and possible exposure to COVID-19. Instructors will document information that is collected.
  - Temperatures will be taken and recorded.

- To promote healthy hygiene practices, on day one of a camper's attendance, the staff (or his/her designee) will teach hand washing, proper putting on, wearing, and taking off masks, sneezing protocol, and no touching of waste cans.
- Following the daily screening, everyone will wash their hands at a hand washing station for 20 seconds, following the CDC guidelines.
- Parents are encouraged to meet our staff at check-in. To maintain the health and safety of the campers, only assigned staff and campers are allowed inside the program areas at this time.

## **Staff & Volunteers**

- Staff and volunteers will be following recommendations from the CDC including, but not limited to, frequent sanitizing of equipment, social distancing and wearing face masks when appropriate distancing is not possible.
- Staff and volunteers will complete a daily health screening.

## **Programming**

- Group sizes will follow CDC guidelines. For example, when campers are put in groups, high priority will be placed upon keeping the groups and staff consistent for the duration of the camp.
- All participants will be assigned their own table and chair. Touch points will be cleaned and sanitized throughout the day.
- Camper belongings will be kept separate. No sharing of books, computers, etc. Social distancing will be maintained.

## **Lunch & Snacks**

- Campers will eat lunch with their group and with appropriate social distancing. When possible, meals will be eaten outside.
- If lunches and/or snacks are eaten in a shared area, appropriate cleaning will take place before the next use.
- All snacks provided by Warm Beach Camp will be individually packaged.
- Lunches and snacks brought from home must be labeled and are for the stated individual only.
- No sharing of lunches, snacks, or drinks.

## **Camp Activities**

- Campers will be assigned activity times based on their designated group.
- Warm Beach Camp will be following current Federal, State and Local COVID-19 mandates and guidelines including, but not limited to:
  - Proper cleaning and sanitation of all gear and safety equipment between each participant use.
  - Social distancing.
  - Hand sanitizer will be available at each recreation activity.

**Action Plan in Case Staff, Volunteer or Camper Becomes Sick**

- A specified area with adult supervision will be used for anyone who has COVID-19 symptoms.
- A transport home procedure will be followed.
- The person who is ill (or his/her parent, guardian or adult) must notify Eugene Barnes, Warm Beach Camp Director of Hospitality Services (360) 618-2694. Eugene will immediately notify health officials, staff and families of any possible case of COVID-19 while maintaining confidentiality as required by the Americans with Disabilities Act (ADA).
- The area used by the sick person will be closed until cleaned. If possible, a minimum of 24 hours will be established as the time that must pass before the space is cleaned. This action minimizes the person doing the cleaning from getting sick.
- The sick person cannot return to Camp until he/she has met the CDC criteria to discontinue home isolation.
- Anyone exposed to the sick person must self-quarantine and monitor their symptoms following CDC guidance.

**Release of Liability**

I understand that participation is at my/our own risk and release Warm Beach Camp & Conference Center, staff, and volunteers, from any liability by choosing to participate or allowing my child to participate.

**Participant Name:** \_\_\_\_\_

**Parent/Guardian Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**School at Camp Director**

**Signature: Date:** 12/6/2020

A handwritten signature in black ink, appearing to read "Eugene Barnes", is written over the signature line.
